

# SCHOLARSHIP APPLICATION 2009-10

Scholarships are awarded each year to full-time students demonstrating the academic and personal qualifications identified by our donors for the scholarship they sponsor. Academic achievement (GPA of 3.0 or higher), significant leadership in the church, community, and potential for ministry are important factors considered in these awards. You must be admitted to a degree program in order to be awarded a scholarship.

All students who complete this application by March 1<sup>st</sup> will be given priority consideration for scholarships. Students must also file the FAFSA in order to be considered for need-based aid (loans, grants and federal work-study). All scholarship candidates must complete a personal interview with members of MTSO's Student Aid Committee. The on-campus interview day is scheduled for March 24, 2009.
