# How to enable Populi text notifications

1. Log in to Populi.
2. At the top right of the screen is a bell. Click on the bell and choose "Notification Settings."

3. The screen below will appear.

   a. It will show your text number if you have already activated it.

   b. If you don't have an activated number, type in your 10-digit phone number and click "Send Verification Code."

   Check your phone for a six-digit verification phone. Enter the code in the box that says "6-digit code" and click "Verify Number."
