These recommended degree completion plans are best used in conjunction with the official degree audit and the *Academic Catalog and Student Handbook*. The four-year and three-year plans are recommended as they allow for full-time enrollment and additional financial aid / scholarship opportunities. Required courses are projected to be offered in the semesters/years indicated, but students may wish to pursue electives in different terms. Students who wish to adopt an alternative plan of study should consult with their Faculty Advisor or Registrar for guidance.

For important program details, policies, and course descriptions, consult the *Academic Catalog and Student Handbook*.
