Legend
Required Courses
Restricted Electives: PT6##, Mission Elective (ME590, PT525, CC601/602/603)
Specialization Courses (*likely to fall outside Connections framework)
Free Electives: as recommended by denomination or Faculty Advisor

*Technically, the Connections pathway is intended exclusively for the M.Div. program. However, as there is significant overlap between M.Div. and MAPT requirements, in many instances this pathway can be used for MAPT students as well. The courses most likely to fall outside the Connections framework are Specialization courses. In the event that you fall out of step with this recommended plan, contact your Faculty Advisor or the Registrar to develop an alternative plan to stay on track with your degree requirements. *Disclaimer: While every effort has been made to ensure the accuracy of this recommended plan in light of schedule projections, be aware that all information is subject to change at any time.*
