### Certificate in Deacon Studies Mission and Goals

Those who have already completed a master's degree in their anticipated area of service to the church may complete 27 credit hours of Basic Graduate Theological Studies as outlined in *The Book of Discipline of The United Methodist Church* in order to meet theological education requirements for ordination as a deacon. The Certificate in Deacon Studies is designed to provide additional theological education. Spiritual formation for ministry is also an important part of the experience for students fulfilling these educational requirements at MTSO. Students may not be enrolled in a certificate and a degree program at the same time.

### Faculty Advising and Degree Audits

The relationship between student and faculty advisor is considered central to the educational experience at MTSO. Faculty advisors are responsible for assisting students with developing a plan of study, selecting courses, and identifying resources for further consultation. Academic Affairs is responsible for providing students and advisors with annual degree audits. Students are responsible for ensuring that their specific academic, vocational, and denominational requirements are satisfied. MTSO is not responsible for calling attention to deficiencies in a student's plan of study unless those deficiencies are the basis for disciplinary action.
