

CHANGE OF DEGREE PETITION

Student Name

Degree Dropped

Degree Added

Anticipated Graduation Date

Rationale for change (use other side if necessary):

- If changing to the M.Div., you must also have one reference letter from a church or judicatory official sent to the Admissions Office.
- If changing to the MACM, an interview with the MACM Program Director is required.
- Degree changes may impact financial aid eligibility and student accounts.

I have reviewed and agree to complete the degree requirements stated in the current MTSO Catalog.
