Faculty Advising and Degree Audits

The relationship between student and faculty advisor is considered central to the educational experience at MTSO. Faculty advisors are responsible for assisting students with developing a plan of study, selecting courses, and identifying resources for further consultation. Academic Affairs is responsible for providing students and advisors with annual degree audits. Students are responsible for ensuring that their specific academic, vocational, and denominational requirements are satisfied. MTSO is not responsible for calling attention to deficiencies in a student's plan of study unless those deficiencies are the basis for disciplinary action.
